## Finishing Strong

BY LEONTE COOPER

Gamma Beta Epsilon is coming to the close of another excellent semester. The mission of Phi Theta Kappa is to recognize academic achievement of college students and to provide opportunities for them to grow as scholars and leaders and our chapter continues to carry out this mission. This year we have continued to be recognized as a five-star chapter and produce the brightest and highest achieving intellectuals. Our advisers have secured awards along with our students as we continue to distinguish ourselves and remain competitive in the Ohio region. As we come to end a semester of excellence, we near election season and a formal induction ceremony.

## Mister Dave Sigmund

BY PAUL MORRISON

The chapter is coming off another good year. We have maintained our 5 Star status for the 16<sup>th</sup> year in a row and I believe we are about to have our best year yet! We have already gotten a fantastic head start on next year's Honors in Action project and our College Project will continue to support Psi Beta's food pantry. New officers have been elected for the new year and will be sworn in at the formal induction ceremony on May 2<sup>nd</sup>. There will be 5 of us traveling to Orlando, FL in April for the International Convention – "Phi Theta Kappa Catalyst" where will hear from speakers, attend break-out sessions, attend to awards ceremony, and fellowship with other Phi Theta Kappans from all over the country. I encourage everyone to get involved as much as you can with chapter activities. Do as much or as little as you like; it's up to you. Involvement means personal development, comradery, fellowship, community service, and more! I hope to see you there!

Looking for more ideas? You're free to gather important information from various sources. Interview parishioners and feature them on your newsletter to involve different members of the community. How about talking to the different sectors that make up your church, such as the choir and the youth groups? Take photos or ask them about their latest events. Announce bake sales and charity drives. There are plenty of possibilities, especially when you ask your community to contribute their ideas. Consider your distribution methods too. If you decide on print, you can hand out your newsletter after Sunday service. However, going digital will give you a wider reach and provide you with more opportunities to get feedback. When you're done, review your newsletter and make revisions if necessary.

## Andrea Young

OHIO REGION VICE PRESIDENT

Congratulations to Andrea Young, member of Beta Gamma Epsilon, who is our new Ohio Region Vice President! Andrea was elected to this position at the Ohio Region Conference and will now represent every Phi Theta Kappa chapter in the Ohio Region. Andrea also had the best campaign, which earned her another award. Andrea continues to make us proud as a product of Gamma Beta Epsilon!
